AARON PALACIOS OLEA

Senior Frontend Engineer − Angular & React

aaronpalaciosolea@gmail.com | www.apalacios.dev | www.linkedin.com/in/aaron-palacios-olea

PROFESSIONAL SUMMARY

Senior Frontend Engineer with 5+ years of experience building and maintaining large-scale web applications, primarily using Angular and TypeScript, and working across modern frontend ecosystems including React. Strong background in public sector platforms and complex UI systems used by thousands of users. Focused on frontend architecture, reusable components, and long-lived solutions in production-critical environments.

PROFESSIONAL EXPERIENCE

VIEWNEXT (IBM partner) | Spain (Remote)   *Apr 2022 − Present*

- Design, develop, and maintain **large-scale frontend applications** using **Angular, TypeScript, and modern JavaScript** for **public sector platforms**.
- Worked on **projects for the** [Government of Catalonia](), building public-facing platforms and internal tools used by **thousands of users**, including citizens and public servants.
- **Created and maintained an open-source** [Angular library for form validations](), used across multiple projects to standardize and simplify complex validation logic.
- Collaborated closely with **backend, UX, and product teams** to define frontend architecture and technical decisions.
- **Mentored junior developers** and performed **code reviews**, promoting best practices, clean code, and maintainable frontend architecture.

FREIXENET Group | Spain (Remote)   *Oct 2020 − Apr 2021*

- Contributed to the development and maintenance of **internal tools and corporate systems** used in day-to-day operational workflows.
- Worked on improving **usability, clarity, and reliability** of internal applications to reduce friction in operational processes.
- Collaborated with team members to enhance trust and efficiency in internal systems.

EDUCATION

Higher Technician in Web Application Development
I.E.S. Camí de Mar, Tarragona - Spain | Graduated May 2023

Technical Degree in Computer Systems & Networking
I.E.S. Camí de Mar, Tarragona - Spain | Graduated May 2021

SKILLS

Frontend: Angular (large-scale applications), React, TypeScript, JavaScript (ES6+)
Architecture & UI: Frontend architecture for long-lived products, reusable component libraries, shared design systems
Forms & UX: Complex, form-driven interfaces, multi-step flows, advanced client-side validations
Styling: SCSS, Tailwind CSS, scalable and maintainable CSS architectures
Collaboration & Practices: Code reviews, mentoring junior developers, cross-functional teamwork, Agile/Scrum
Tools & Practices: Git, Figma, Agile/Scrum

Languages

Spanish: Native
Catalan: Native
English: Professional working proficiency

CERTIFICATIONS

Advanced Angular (Angular, TypeScript) — Udemy
Node.js & Backend Fundamentals (Node.js, JavaScript) — Udemy
